Make plans now to spend the end the summer of 2015 on a spiritual high note. There are great things in store at the Jersey Shore—and we want it to include you! We are very excited this year to have **Bill Yuille** of Toronto, Canada as our speaker. After many years in business management, Bill took an early retirement to engage more fully in the work of the Lord. For more than 25 years, Bill served as President of the board of MSC, a Canadian service organization assisting assembly-commended workers from that country. He continues to actively serve with that organization. He travels widely as a Bible teacher and conference speaker and we are privileged to have him with us for the week. To also make it a special week, we are planning to return to America's Keswick for their anniversary banquet and sacred concert, an event enjoyed by all. We have many other activities planned as well, including a visit to the Lakehurst Naval Air station and also some very interesting and informative seminars during the week. Don't miss out— register soon to enjoy a September to remember!
